

VEILED ANGEL (SACRED LADY OF THE SEA)

Verse (A1): How many lifetimes have I lived
Since I left this rocky shore?
Would you even recognize me
If I were standing at your door?

(A2): Every drifter needs a star
Mariners, a beacon bright
In the bitterness of exile
In the bleak and thoughtful night

Chorus (B1): Veiled angel of the morning
Sacred Lady of the sea.
Every song, a song of longing
Every dream, a dream of thee.

(A3): Am I the boy you remember
Leaving all those years ago?
Just a suitcase in his hand,
And a yearning in his soul

Chorus (B1): Veiled angel of the harbour
Sacred Lady of the sea.
Every exile, every martyr
Every dream, a dream of thee.
