

BLACK CAT (HALLOWEEN) BLUES

Black cat scratching on the ground
What's he scratching, what has he found?
Big old black cat scratching on the ground

Daylight, saw a chicken dripping blood
Twilight, saw a baby doll made of mud
Daylight, saw a chicken dripping blood

Something's out there howling, howling in the night
Midnight in the graveyard, I'm almost dead with fright
Something's out there howling, howling in the night

Chorus: Black Cat Blues, I got the Black Cat Blues
Somebody, turn the screws, light the fuse
And mix the booze. Black Cat Blues

There's a hunter moon, sailing like a ghost
Don't my name look spooky on that crooked post?
Hunter moon, sailing like a ghost

I got a voodoo woman; says she loves me through and through
"But don't cheat on me. There's no telling what I'll do!"
My black magic woman says she loves me through & through

Chorus: Black Cat Blues, Black Cat Blues
Somebody, turn the screws, and light the fuse
Where'd you get that bruise?
Black Cat Blues
